

Director of Maintenance Job Posting (5/2/2019)

The Church of St. Therese of Deephaven is seeking a highly skilled Director of Facilities who can oversee all parish facilities to ensure availability for parish and school ministries. This includes proper management, upkeep and repair for all buildings, grounds and material assets of the parish. The Parish facilities include Church, Early Learning Center and Preschool through 8 school building.

Qualifications: 5+ years of experience in working in facilities management. Experience with automated building systems and HVAC systems is preferred. Electrical experience and a special class boiler's license are preferred. Prior experience with employee supervision, and experience managing a budget are preferred. Understanding and acceptance of Catholic doctrine.

St. Therese is a large and established parish with solid liturgical life, established faith formation programs, a beautiful school, consecrated sisters, many volunteers, a vibrant music ministry, many volunteers and service projects and a wonderful location to be of service to Christ. The parish/school is committed to vibrant growth by living out Jesus Christ's call to "Go and make disciples" (Matt 28:19) through our sacramental life, prayer, catechesis, fellowship, evangelization, school, service, and financial stewardship.

A complete job posting is available at st-therese.org.

Applicants must submit a cover letter, resume and references to Morgan Purdie via email at morgan@yourlss.com no later than Saturday, May 25, 2019.
